## WORK EXPERIENCE

[ 01/04/2019 – Current ] **Product Designer UX UI**

### *NTT Data*

**City**: Barcelona | **Country**: Spain

I collaborate on large-scale projects with major banking, insurance, and industrial companies.

Specialize in interaction design and navigation flow, ensuring intuitive user experiences.

Collaborate closely with stakeholders to define and shape product features and functionality.

Conduct user research, including interviews, surveys, and customer workshops, to uncover insights and validate product concepts.

Manage the UX team within a team, ensuring alignment and smooth collaboration across all stages of the design process.

Oversee the integration of UX tasks into agile methodologies, ensuring timely and efficient delivery within an iterative development framework.
